

Bedgebury Camping Hire Centre

It is possible to hire various items of equipment from Bedgebury Camping. Depending on what it is, this can be done online through the booking system and whilst on site without any pre-booking required, subject to availability.

Definitions

This Hire Agreement is for the hire of equipment ("Equipment") and the parties to the Contract are: i. The person hiring the Equipment ("Hirer") and ii. Bedgebury Camping LLP (Registered No: OC353528) with registered offices at Pattenden Farm, Goudhurst, Kent, TN17 2QX.

Extent of Hire Agreement and Cancellation

The Hire Agreement is effective when Bedgebury Camping receives full payment in respect of the hire charge for the Equipment.

If the Equipment hire is cancelled by the Hirer 13 days or fewer before the start of the Hire Agreement, the deposit amount will be charged and a refund of the balance will be given. For cancellations made 14 days or more before the start of the Hire Agreement, a full refund will be provided minus any processing fee.

Availability of Equipment to hire

As there are a limited number of items for hire at Bedgebury Camping, all hiring of Equipment is subject to availability at the time of booking. Hiring of Equipment is done on a first-come-first-served basis and is not guaranteed until full payment for the hire of the Equipment is received by Bedgebury Camping. We cannot reserve items pending payment at a subsequent time/date.

Ownership of Equipment and Goods

Equipment hired remains the property of Bedgebury Camping at all times.

Hire charges

The stated hire charges given at the time of booking the Equipment are for the duration of the Hire Agreement. The first day will be the day the Hirer can expect to collect the Equipment from Bedgebury Camping and the last day will be the day the Hirer must return the Equipment to Bedgebury Camping.

Return of hire goods

Hired camping goods should be handed back to a member of the Bedgebury Camping team at Reception by 12 noon on the last day of the hire period. Leaving hire goods unattended in the camping field or elsewhere on the campsite does not

constitute a return, and the security deposit will not be refunded to the customer if this happens.

Security Deposits for return of Equipment in good working order

Upon booking, a security deposit will be included in the cost of the Equipment hire.

Once the Equipment has been returned by the Hirer, it will be checked by Bedgebury Camping. If the Equipment is returned in a state which is deemed fit for immediate re-use by another customer, the security deposit will be refunded to the Hirer within 2 days.

If the Equipment is returned in a damaged state (except where due to fair wear and tear and/or an inherent fault) and is therefore deemed not fit for immediate re-use by another customer, the Security Deposit will be charged.

The Hirer accepts responsibility for the Equipment until its return and undertakes not to sell or relinquish possession, alter, repair or modify it in any way.

Late return of Equipment

If Equipment is returned later than the time and date agreed in the Hire Agreement, the full daily rate for every day and/or part of day may be charged to the customer.

Loss/theft of Equipment

Bedgebury Camping will treat Equipment unavailable for inspection after the return period as lost or stolen. The 'security deposit' as mentioned above will not be returned to the Hirer.

Limitation of liability

The limit of liability in respect of defect or failure of equipment is limited only to making good such defect by repair or replacement, at Bedgebury Camping. The liability of Bedgebury Camping for claims made by the Hirer does not extend to any unforeseeable financial loss caused by late or non-delivery of Equipment, unsuitability, breakdown or lawful repossession.
